**VISIONID**  
Empowering Enterprise Intelligence

## VisionID, a leading systems integrator and managed service provider in South Tipperary have launched their very own corporate academy

The VisionID Academy offers tailored programmes for those interested in a career in Sales with progress into full-time roles in VisionID. These Sales roles include Business Development, Internal Sales and Account Management.

According to a McKinsey & Company study, businesses have surprised themselves with the speed and success of their digital initiatives in response to the Covid-19 pandemic. On average, digital transformation has made the equivalent of seven years of progress in a matter of months. In line with these trends VisionID has been doing extensive work on developing our portfolio as so we can support our customers through this change. As a result of adding to our portfolio VisionID has hired 10 new employees through the pandemic and look to sustain this growth by hiring 30 new employees in the next 3 years.

These programmes are tailored to the individual based on experience and areas of interest. VisionID's entry level programmes are suited to those with no relevant qualification but a desire to learn more about VisionID and the industry. Whilst their intermediate and senior programmes are designed for people coming from university or who have previously worked in their specified interest area before. The programmes are ICT accredited up to the equivalent of a level 8.

To celebrate the launch of the VisionID Academy, VisionID are inviting those who are interested to attend their Virtual Open Day on August 18<sup>th</sup>.

Those who attend the open days will get a full overview of VisionID and the VisionID Academy.

my, while also engaging with VisionID Employees and Managers.

In 2019 VisionID were proudly named the winners of the award for Best Employer for Training, Development and Well Being, at the Tipperary Business Awards. "Since opening its doors in 2000 VisionID has made the train-

ing and development of our employees a top priority and opening an academy has been a goal of ours for years". Robert Jones, Managing Director at VisionID.

At VisionID, our mission is to optimise businesses operational efficiency and productivity by connecting our client's physical and digital opera-

tions. We provide our clients with complete visibility of their critical assets and information. We do this by continuously innovating, driving disruptive solutions and investing in our high calibre dedicated team.

The VisionID academy hopes to start welcoming prospects from later in the summer of 2021.

### White Rabbit sauces perfect for BBQ weather!

Following his graduation from UCC with the Diploma in Speciality Food Production programme Stephen Vaughan very successfully launched his range of BBQ sauces, which he developed for use in the White Rabbit Bar and BBQ, on Cork's MacCurtain st. Stephen was delighted to be selected as a supplier

of these sauces on the Grow With Aldi programme. Like others on the Diploma, Stephen benefitted from the wide range of technical and business topics provided by the course, plus the many opportunities to network with like-minded food entrepreneurs, trainers and support agencies.

### Success on a plate!

Recent graduates Norza Daud-Collins and May O'Donovan would both agree that participating in the UCC's part-time Diploma in Speciality Food Production programme last year made a big difference to the successful development of their food businesses. Norza, owner of Malay Kitchen restaurants in Cork, has developed a range of wonderful

May O'Donovan. sauces and pastes, which can be bought through the shops or

Norza Daud-Collins. website. May's wide range of fabulous Asian

food products can be bought in her store 'SensAsian Fare' in Ballincollig, or at the Mahon Point farmer's market. Both businesses have benefitted from the wide range of technical and business topics provided by the Diploma, plus the many opportunities to network with like-minded food entrepreneurs, trainers and support agencies.

Applications are now being taken for the next cycle of this Diploma, and substantial funding is available for eligible applicants.  
The Diploma will start on 12th October 2021 and will run on a part-time basis until May 2022.  
Blended delivery: the course content will be delivered in 2021/2022 using a blend of on-line/virtual and face-to-face/on-campus delivery methods.

PART-TIME  
DIPLOMA IN SPECIALITY FOOD PRODUCTION

**We are now taking applications for the next cycle of UCC's part-time Diploma in Speciality Food Production**

Past participants have described this course as **invaluable** and would **strongly** recommend it to those starting or developing artisan and speciality food businesses. Many graduates have gone on to develop successful food enterprises.

The diploma starts on 12th October 2021 and will run on a part-time basis until May 2022. The programme is typically delivered every three weeks (Tuesday and Wednesday), and consists of lectures in conjunction with practicals, case studies, site visits and workshops.

**Blended delivery:** the course content will be delivered in 2021/2022 using a blend of on-line/virtual and face-to-face/on-campus delivery methods.

The fee for the diploma is €2800 and funding (64%) is available for eligible applicants.

The closing date is 24th September 2021.

An application form and more information can be obtained from Dr Angela Sheehan, Programme Manager, [a.sheehan@ucc.ie](mailto:a.sheehan@ucc.ie) or by visiting [www.ucc.ie/en/fitu](http://www.ucc.ie/en/fitu).
